[Narrative]

FOR IMMEDIATE RELEASE

WOODBIDGE, N.J. ~ [Provide brief explanation of work and anticipated restrictions, example] A stage of bridge deck repairs will occur along the Interchange 11 Ramp to the Southbound Cars only Roadway in Woodbridge, NJ starting on or about MM/DD/YYYY and lasting until MM/DD/YYYY. Over this time period, the Ramp will be closed and traffic will be diverted to the Southbound Cars and Trucks Roadway.

It is anticipated that traffic impacts will be [provide level of impact: low, moderate, high] during peak weekend travel periods, specifically [provide timeframe impact would be anticipated].

[Provide statement if portable variable message sign will be installed]

Variable message signs to alert motorists of the construction will be placed along the Ramp to Southbound Roadway at the Interchange 11 Toll Plaza one week in advance of the planned construction start date.

Motorists can call 511 from any phone from a hands-free device (Listen for the initial voice prompt and ask for traffic conditions. Motorists can ask for a specific Highway, City, or even a point of interest). Information regarding this project is posted on our web site at <https://www.njta.com/capitalprojects>. Residents of [Municipality(ies)] / [County(ies)] can monitor traffic conditions by accessing Turnpike webcams at <https://www.njta.com/travel-resources/camera-list>, and <http://www.511nj.org/cameras.aspx>. Motorists can also download the SafeTrip App for the latest traffic Advisories.
