

New Jersey Turnpike Authority  
Engineering Department  
The Newark Bay-Hudson County Extension Improvements Program  
Westbound Trestle Construction

Response to Inquiries  
Notice of Intent

**Inquiry 1:** We are interested in receiving the bid documents for the two projects under the Newark Bay–Hudson County Extension Improvements Program.

Please let us know if any additional information about our company is required prior to the release of the documents, or if they will be available for direct download through BidX.

**Response:** Bid documents will be made available through BidX at a later date. The Authority's standard bid process will be followed. In accordance with the Letter of Intent, bidders must be prequalified under Contract Classification 8, Heavy Highway, Rating Unlimited, prior to the receipt of proposals.
