

Document Change Announcement

Standard Drawings

DCA2010-SD-11

DATE: October 21, 2010

Subject: New Standard Drawings SI-28 to SI-42

Description of Change

Standard Drawings SI-28 to SI-42 have been developed to standardize the design and construction of overhead span and cantilever type sign structures to be utilized on the Garden State Parkway.

Instructions to Designers and Consultants

Effective immediately, the new standard drawings contained in this announcement shall be applied to all projects in every phase of design. For advertised contracts awaiting the opening bids, this revision shall be incorporated via addendum, if applicable. Contact your NJTA Project Manager for instructions.

Designers may access these revisions in the NJTA Standard Drawings, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/standard-drawings.html>.

Information for In-House Staff

The new standard drawings have been incorporated into the Standard Drawings, which is available on the Authority's Web Page: <http://www.state.nj.us/turnpike/standard-drawings.html>. Please distribute the information to your respective Project Managers and have them direct their consultants appropriately.
