## Responses to Inquiries Request for Expressions of Interest

1. **Inquiry:** Could you please clarify if the term “a retaining wall/noise barrier” on Page 35, Section 4 of the RFP is misplaced and incorrect?

**Response:** The term “a retaining wall/noise barrier” is incorrect. See Addendum No. 1 for clarification.
2. **Inquiry:** On page 2 of the RFEOI, reference is made to the Consultant Qualification Form (QAF3). Please confirm that only the Bridge Inspection Qualification Summary Form is required as part of this submittal, and the QAF3 Form will only be submitted by the Successful Qualified Firms.

**Response:** A completed NJTA Bridge Inspection Qualification Summary Form shall be submitted within the EOI.
3. **Inquiry:** In Subsection A1 – Expression of Interest Submission Requirements, 1<sup>st</sup> paragraph, page 10 of 70, it states: “Qualified Firms may include a maximum of three (3) 11x17 inch foldout sheets to convey the Project Schedules (2 foldout sheets maximum) and organization chart (one (1) 11x17 inch foldout sheet maximum) that cannot otherwise be adequately presented on 8.5x11-inch pages.”. Are firms permitted to use all 3 foldout sheets for the project schedule because there are 3 projects in this RFEOI? If yes, are firms permitted to submit a 4th foldout page for the Organizational Chart?

**Response:** Firms are permitted to include a maximum of four (4) 11x17 inch foldout sheets to convey the Project Schedules (3 foldout sheets maximum) and Organization Chart (1 foldout sheet maximum) that cannot otherwise be adequately presented on 8.5x11-inch pages.
